INSTALL-RITE DOOR KIT

For Stone & Rough-Faced Fireplace Door Installations

Our Install-Rite door kit will help you to increase your standard door sales immediately. Install-Rite is for those with hard to fit stone and rough-faced fireplaces — custom doors are no longer their only alternative.

You can now offer your customers genuine solid brass Thermo-Rite doors with two coats of baked on lacquer — Pricing on Thermo-Rite stock doors is always less than all custom doors. A 1/4" to 1/2" overlap is not a problem with Install-Rite.

Install-Rite allows you to mortar in a door with ease.

Delivery to your customers is a matter of days - not 6 to 12 weeks.

It creates cash flow for you instantly.

- Fits openings up to 44" wide x 32" high. You can cut to the exact size. Extenders are available for larger sizes.
- Fits Original, Regal, Classic, Cameo, Prism, AirPrism, Park Avenue, Décor and Reserve.
- For inside or overlap fit
- Can ship UPS®
- Finished in black. Comes complete with hardware and instructions.
