CUSTOM RISER BARS

Custom riser bars are available in solid brass. Riser bars may also be used as top caps; however, you must indicate accordingly when ordering as the mounting holes must be punched. Custom riser bars/top caps allow you to use stock enclosures when you are able to overlap the sides, but must fit under a projecting row of brick.

PRICE CHART FOR CUSTOM RISER BARS
For polished, antique & black finishes up to 2" high x 54 5/8" wide
For chrome or pewter finish add (based on height)
For heights over 2" add
For widths over 54 5/8" up to 72"

How To Order

- Use custom order form #5 on page 41 and completely fill out all information requested.
- Order must be mailed or faxed to Thermo-Rite.
